We welcome the following candidates for the LPNA Board of Directors, including those interested in being alternates.

It is terrific to have new ideas, interests, talents, and energy.

Between Board positions and alternates, it is likely that all these people will become part of the LPNA Board Team. Positions within the board are decided at the Board of Directors meeting. CLEAN SWEEP THANK YOU

A big thank you to all who braved the rain to work Clean Sweep 2011: Paula, Barb, Richard, Christine, Jacob, Luke, Marco, and Elliot. Aaron, you and your friend made a great start on the corner of 18th and Monroe. Huge thanks to the Jacobson's for tire pick-up and for breakfast at Diamonds. Denny and Joel, thanks for putting up notices. Our City of Mpls packer truck drivers were very helpful. Thanks to everyone who participated in our neighborhood clean-up.

SHED SOME LIGHT ON THE PROBLEM

It is common knowledge that well-lit streets help to deter crime and vandalism. Logan Park Neighborhood's tree-lined streets seem dark during the summer, so we as residents can greatly increase the light at night by leaving our front porch lights on from dusk to dawn. Another benefit is the friendly and welcoming aspect to walkers, bikers, and drivers. A 100 watt CFL left on throughout the night, every night, costs less than \$2 a month to run, and lasts for years. During the coldest months, you might need to switch out to an incandescent bulb. Join your neighbors to "keep the home lights burning."

BE A PART OF THE GREAT NORTHEAST PARADE

Artshare, a collaborative group dedicated to creating shared art experiences for the Northeast community, will once again be conducting free public workshops so you can make your own personal float, mask or creative contraption to be part of the 82nd Annual NE Parade. Parade workshops will be held at Edison High School on Saturdays, May 29, June 5, 12 & 19. For more information, go to <http://www.artsharene.blogspot.com/>

Logan Park Neighborhood Association Delivery Team Recognition Awards

The LPNA Delivery Team Award for May goes to 1833 Monroe for the unique handrail to the front steps, made from a section of train rail. Massive and very cool. Nice stonework and landscaping, too. Thanks for curb appeal!

RECREATIONAL FIRE UPDATE

Many Minneapolis residents enjoy a small outdoor fire during the summer and fall. However, these recreational fires can also cause safety hazards and impact your neighbors' enjoyment of the warm weather. If you'd like to have a fire in your yard, follow these City ordinances to keep our neighborhoods safe and livable:

- Outdoor fires are only permitted between 9 a.m. and 10 p.m.
- Keep fires small, less than 3 feet in diameter and 2 feet high.
- Burn only untreated, unpainted, dry wood.
- Fire must be at least 25 feet away from a structure or combustible material and in a fire ring or pit with edges more than 6 inches high.
- Have a hose or fire extinguisher present.
- Postpone your fire when the wind exceeds 10 mph.

Here are some suggestions to help keep you and your neighbors in harmony:

- Postpone your fire when Minneapolis is under an air pollution advisory or alert. Sign up for air quality alerts at <http://mn.enviroflash.info>.
- Postpone a fire when smoke will blow at a neighbor's house.
- Try to limit the number of fires to once a week.

To report an illegal or unsafe fire, call 911. For more information on Minneapolis City ordinances pertaining to recreational fires, go to www.ci.minneapolis.mn.us/governmentordinances.asp.
