

— LOGAN LEDGER —

Next General Meeting: April 19th 2017 7pm 690 13th Ave Logan Park

Block Studio Project

Hello neighbors,

We are proud to introduce the Block Studio Project!

Funded by Logan Park Neighborhood Association, our pilot project will build and place 10 Block Studios throughout Logan Park. The Block Studio is an arts and craft version of corner donation boxes. Each will offer a place for artists and crafters of all skill levels to exchange ideas, tools, and materials. But more than that, it is a place for neighbors to create with a spare 15 minutes (the door functions as drop down workspace), or even add to the Studio as a growing, organic art piece.

A monthly newsletter will show the location of all the Block Studios, as well as what arts or craft focus each Studio maintains. Our first one is on the corner of 15th and Jefferson and is primarily a drawing and coloring Studio.

We also hope to begin a series of 20 minute Walk Up Workshops, rotating through the Studios, where the host or a volunteer provides instruction on a technique or project.

If you are interested, there are three easy ways to participate:

- Become a Studio host. If you are a homeowner, commercial property owner, or renter with landlord's permission in the Logan Park area, and you'd like to host a Studio on your property, let us know. The Studio is free, and we will even help install it – without cement! No skills are needed. Even if you've only had a passing interest in learning an art or craft, this is a great way to start.
- You'll be responsible for maintaining the Studio and making sure it remains stocked - we will help with start-up materials and connecting you with donors. You can take it any direction you want, as long as the tools and materials are kid safe.
- Become a Studio visitor. Just walk up and participate. Feel free to add or take appropriate materials and resources, create something, or add to the outside decoration of the Studio. Keep an eye out for the Walk Up Workshops as well when they begin in May/June.
- Become a Studio supporter. We are looking for artists, crafters, and hobbyists to donate old tools, materials, books, and resources. We are also looking for individuals who may not want to host, but are willing to support a Studio with shared areas of interest. This would mean providing contact information for the host, and be willing to visit the Studio regularly to check for needed materials or even volunteer to run a Walk Up Workshop at the Studio.

For more information, go to our Facebook page – www.facebook.com/blockstudioproject.

If you are interested, email us at blockstudioproject@gmail.com and let us know how you would like to participate.

We will also be presenting the Block Studios at the Logan Park community meeting on April 19, at 7 p.m., at the Logan Park Rec Center.

We look forward to hearing from you!

Mathew Somlai and Micah Speigle

Gail Schack

Community Meeting Wed. April 19th

- Block Studio Presentation, Mat Somlai
- MNDOT on I-94 work, Representative

Childcare Available

Join the LPNA Board for 2017-18

Help shape the neighborhood by being on the Logan Park Neighborhood board! If you have two evenings a month, consider volunteering your time.

- Board Elections will be held at the Community meeting on May 17th

Please submit your name and email by April 15th

Email us at loganparkna@aol.com

The League of Women Voters and Northeaster Ward 1 Candidates Forum had over 100 people in attendance. You can read more about the event in the March 22, 2017 issue of the Northeaster.

Volunteers Needed!

Be among the first to get a Logan Park logo t-shirt by volunteering to help with the LPNA Art-A-Whirl fundraiser.

We will be staffing the 807 building parking lot at Broadway and Quincy.

Times are:

- Friday May 19th, late afternoon/early evening
- Saturday May 20th, mid morning—late evening
- Sunday May 21st, late morning—late afternoon

If you have a few hours to donate leave your contact info, t-shirt size, and when you can help at loganparkna@aol.com

The event coordinator will contact you with more info and details.

Thanks in advance for helping with success of this fundraiser!

The Home Energy Squad

Our team of trusted energy consultants will come to your home, evaluate your energy savings opportunities, and install the energy-efficient materials of your choice. The Logan park Neighborhood has brought down the costs of home energy visits so residents can receive a visit for only \$60!

To schedule your visit call 612-335-5874

Community Meeting

Please come to the Community Conversation about the future of neighborhood organizations!

- Wednesday, May 3rd from 5:30 to 8:30pm at the NE Armory, 1025 Broadway St. NE

Your input will help inform recommendations to the City Council on the direction of future funding and programming for neighborhood organizations. And there will be food!!

CURA Gentrification Study

CURA is leading a gentrification study in targeted Minneapolis neighborhoods, including Logan Park. They are looking to talk with established renters, homeowners, and businesses.

For more information, visit:

gentrification.umn.edu or call Molly at (720) 838-6023
