Make your home improvement dreams a reality

Home improvement season has arrived. Whether you're thinking of a kitchen or bath remodel, new windows or updating your siding, the Lending Center at the Center for Energy and Environment (CEE) can make those home improvement projects come to life.

Logan Park has partnered with the Lending Center to offer a variety of financing options that allow homeowners to complete their projects with low month payments and fixed low rates.

Minneapolis homeowner Andrew worked with the Lending Center to upgrade his central AC and furnace, "when we found out we needed to get a new air conditioner and furnace I wasn't sure where to start. The Lending center made the process incredibly easy and set us up with a loan that fit our needs."

Get started today by calling 612-335-5884 or visit mnlendingcenter.org. The Lending Center at CEE is a Minnesota nonprofit that has been helping homeowners for over 35 years.

Logan Park has worked with CEE for over 20 years. Many residents have used the various programs over the years to improve their homes. If you are planning updates give them a call.

Activities at Logan Park

June 17th - Multiple events at the park.

- Jazz Concert 3-6pm

We strive to keep creativity in the forefront of our mission to educate children and inspire learning in the process. Pop Up Fitness

Tuesdays -July 14th 6:30-7:30pm FREE

Pop-Up Fitness for 50+, Beginners or anyone who just wants to feel good! This class will meet outdoors at Jackson Square Park. We will meet as scheduled unless it's raining. Call 612-370-4927 at Logan Park if you're unsure about that night's class. Bring a Yoga Mat since we'll be on the grass for most of the class. Join Mia Bremer, Advanced Health and Fitness Specialist, Personal Trainer and your Northeast neighbor, for an hour of feel-good movement that will strengthen, stretch and energize you. You will use your own body weight along with some exercise props and tools that Mia will supply to perform exercises inspired by many fitness modalities including yoga, Pilates, weight-training and cardio-enhancing moves. No prior experience necessary. This class is fun, relaxed and will inspire you to move more every day! This is a free class funded by the Holland Neighborhood Organization.

Crochet Circle

June 17th 6-8pm

This summer, MIA is excited to exhibit the Institute For Figuring's worldwide Crochet Coral Reef project as part of the special exhibition "Leonardo da Vinci, the Codex Leicester, and the Creative Mind", on view June 21 – August 30, 2015. Learn how to get involved in our Minneapolis Satellite Reef, part of the Institute For Figuring's ongoing Satellite Reef program. Over the next six months, citizens of the Twin Cities and beyond are invited to create crochet coral to contribute to the reef. Organized by MIA and created by the community, the Minneapolis Satellite Reef will be exhibited at the Mississippi Watershed Management Organization Community Facility (MWMO) from August 23 to September 30, 2015.

Logan Park Research project

Logan Park was awarded a summer research assistant through the UM CURA Department to research the feasibility and benefits of creating a Logan Park Historical Conservation District.

Please join me in welcoming to the neighborhood, Collin Calvert, our summer research assistant!

The first step of this project is to gather data and find out the historical relevance of the neighborhood. An important facet is collecting the oral history from past and present residents.

As fellow neighbors, you can help in a couple of ways: Allow us to interview you! Do you have unique stories that need to be heard?

Refer us to current and former Logan Park residents that have history to share!

Pass on their contact info and we'll take care of the rest.
