

— LOGAN LEDGER —

Next Meeting: May 20, 2015 7 p.m. 690 13th Avenue Logan Park

Get to the Root of the Parks Forestry Department

Come to the May meeting to hear from Minneapolis Parks Director of Forestry Ralph Sievert. Director Sievert oversees the planting, pruning and removing all trees on Minneapolis public property, including 200,000 boulevard trees on 1,100 miles of streets, 400,000 park trees on more than 6,000 acres of land.

Get answers to questions such as why were the trees in the park trimmed up high? What are the plans for our new trees to stay healthy? What is the procedure for our park in regards to removing dead and diseased trees? What types of new trees are being planted in our park and why?

See www.minneapolisparcs.org - Forestry tab for info and the map of Logan Park's urban canopy stats.

Pickup your tree care card at the front desk at Logan Park

Logan Park board members Paula Allan and Pat Vogel present our custom stamp at NE Chamber breakfast May 13th at Brick Mania. Kick off to Art A Whirl 2015.

Join the Logan Park Neighborhood Board

So what exactly does the Logan Park Neighborhood Organization do?

LPNA is your local source for community engagement and collective action. Getting involved means learning what's going on and having a voice in what happens in your neighborhood.

LPNA is the city-recognized organization to represent those who live and work in Logan Park Neighborhood.

LPNA has full non-profit (501c3) status. This means we can apply for grants and receive charitable contributions.

LPNA often collaborates with our Minneapolis park staff, but does not have authority or provide oversight over the actual park operation.

LPNA Board members are elected by the neighborhood to:

- Oversee LPNA's activities
- Ensure LPNA follows the city's rules and guidelines for expenditures and reporting
- Promote & develop the neighborhood and LPNA

Come to the May 20th meeting and throw your hat in the ring!

We have openings for both members and alternates.

But you don't have to be a board member to have all this fun. Attending the monthly LPNA meetings (3rd Wednesday of the month) will keep you well-informed. There is now free childcare provided at the park for the monthly LPNA meeting!

You can also help out on a committee or a project that you find interesting.

The Small Area Plan Committee is exploring doing such a plan and also the idea of a Conservation District (possibly the 1st one in Minneapolis)

Help develop an **Arts & Culture Project** – to be determined by the committee. We have the \$\$, we just need to figure out how to spend it!

Neighborhood Priority Planning – What would you like to see happen here in the next 3-5 years?

Neighborhood Parking - New business' are putting pressure on available parking resources. Help us find solutions to our parking challenges.

Plus there are volunteer opportunities working on ongoing LPNA activities: Communications, Finances and Outreach. - *See you on the 20th, join us!*
