

— LOGAN LEDGER —

Meeting: November 16, 2016 7:00 pm 690 13th Avenue Logan Park

Neighborhood Revitalization Program Funds Available to Homeowners

Logan Park 4% Interest Loans

The Logan Park Neighborhood Association (LPNA) has made Neighborhood Revitalization Program (NRP) funds available to provide low interest loans to homeowners in the Logan Park neighborhood.

The guidelines below are subject to change at any time without notice.

Loan funds are subject to availability. Please call us at 612-335-5884 for complete details.

Loan Terms

- Loan amounts from \$2,000 - \$15,000
 - 4% fixed interest rate (4.01% Annual Percentage Rate*)
 - No maximum income limit
 - Terms up to 15 years
 - This loan is secured by a mortgage on the property
- Closing costs apply*

Property Eligibility

- Owner-occupied residential properties
- 1-4 unit
- Properties under construction or held in Trust are not eligible

Types of Improvements

- Eligible improvements include most interior and exterior maintenance or remodeling.
- 2 bids are required from qualified, licensed contractors for projects over \$5,000.
- For do-it-yourself projects, a materials list including prices is required. The cost for labor and equipment purchase or rental may not be included in the loan.
- Funds are held in a non-interest bearing escrow account at CEE from loan closing until the work is completed and all final documentation is received.

*APR based on a \$15,000 loan amount for 15 years

The current loan terms and conditions stated, including interest rates, do not constitute a commitment to lend or an offer to enter into an agreement, and that such an offer may only be made pursuant to Minnesota Statutes, Section 47.206(3) and (4).

14U: 9/1/02 through 9/1/04

Indoor Playground

Mondays and Fridays
10:00 am to 12:00 pm
Cost: \$3 per family

Does your child have energy to burn? Explore a new world at our highly-interactive, drop-in style social play-time! Playtime is a convenient way for young ones to burn off energy, socialize and develop motor skills. We think you'll enjoy the social interaction too! It's fun, unstructured play and a total sanity-saver.

This is an unsupervised activity; parents or a guardian must accompany their child(ren).
**No Playground when there is no school*

Edison High School Robotics Team Fundraiser

Summary

The Edison High School robotics team was founded in 2008 by teachers and students with an interest in robotics. The name TERTOLA is a secret acronym that only Varsity team members and mentors know. Edison's team has placed in the top 20 of the region consecutively. Students are responsible for the idea and building of their robot.

Once a year the team competes in FIRST, a robotics competition, that has grown from 30 teams in 1989 to 32,000 teams today. Their mission is to inspire young people and to be leaders in science and technology by engaging them in the mentor-based programs that build science, engineering, and technology skills, and also self-esteem, life skills, and community awareness.

What We Need

Our goal is to attend two competitions instead of one and to do that we need your help! We need to raise our goal of \$20,000 and are looking for more sponsors to support us. Our current budget is about \$10,000, half of which goes to the entry fee for the competition. We have two sponsors, Graco and STAWNO.

How You Can Help

- Being a mentor! If you want to improve the futures and lives of the youth in our community, please consider donating your time. Bonus if you have experience in electrical, engineering, or programming.
- Food: we work hard and often through dinner, a budget for healthy meals would be appreciated! It costs \$70 a night to feed our team.
- Laptops and iPads: tools to use during the six week building season
- T-shirts: for our team, we come up with design

If you are interested, email Coach Jacob Agrimson at Jacob.agrimson@mpls.k12.mn.us

Thank you to the volunteers of the Indeed Fundraiser!

Thank you to Gail, Mary Rose, Adena, and all the volunteers for all your work on the Indeed We Can Bingo Fundraiser last month!

The night was a great success! \$300 more was raised than last year's fundraiser.

Indeed We Can

Indeed We Can is an employee driven charitable giving program which donates 100% of taproom profits to an employee-sponsored local nonprofit, held every Wednesday, from 3:00 pm to 11:00 pm, in the Indeed Taproom. A different nonprofit organization from around the Twin Cities is sponsored every week, chosen by an employee, and vetted by the company founders for good measure. Indeed hopes to make communities stronger, happier, and healthier by making connections with local nonprofits and raising awareness for their cause.

December 28th: NEMAA, Northeast Minneapolis Arts Association
