

## Community Sing-A-long with Daniel Chouinard

*Celebrate the new Neighborhood Computer Training Center at the Holland High Rise.*

Nationally acclaimed musician Dan Chouinard will perform at the 1717 Washington St NE Holland High-rise June 26th at 7 PM. Dan will lead the group with piano and accordion taking requests from the audience. Refreshments will be served. This event is free and open to the public. The sing along is being held to help celebrate the new neighborhood computer training center at the high-rise. Nine laptops have been purchased by Logan Park Neighborhood Association from Computers for Schools for free use by high-rise residents. Further USI Wireless, as part of their City of Minneapolis contract, has set up two free hot spots in the building on the 1st and 17th floor so that residents can access the internet for free. Local Businessman Dennis Hoff, owner of Hoff Online Auctions, donated equipment for the training room. Lakoda Institute is providing a trainer, Harry Otterness, to get neighborhood participants up to speed on computer use. Any neighborhood resident can get this free training. Weekly sessions will be held beginning in July. Participants who do not live in the high-rise must contact LPNA at 612-516-5762 or attend the sing along to sign up and get a pass. Check out Dan Chouinard's website at <http://www.danchouinard.com> to get a flavor of his musical style he will bring to Logan Park Neighborhood.

## CleanSweep is Great Success

On May 4th eleven volunteers removed a record amount of waste from the neighborhood. 14,160 pounds, that is over 7 tons of household junk, were picked up and tossed onto the packer trucks. 21 mattresses and 27 TVs were picked up by two specialty trucks. Additionally, over 500 pounds of metal bed frames and wheel rims were carried away on the specialty trucks. 26 tires were cleared out and were conveyed to the City transfer station by volunteer Steve Jacobson in his own pick-up truck. The CleanSweep required that extra trucks be deployed as the first ones were filled by noon. Many neighbors jumped to assist the volunteers at their homes and in their alleys. Solar Arts Building owner, Duane Arens, sent two men to help the neighborhood volunteers as illegal dumping occurred on their back lot. Volunteers worked steadily from 8:45 to 1:15 PM and then, as many as were able, adjourned for brunch at Diamonds.

## Northeast Ride

Logan Park Neighborhood Association is a sponsor of the NERIDE on June 22, 2013. Ride begins at 10:30 AM but come early to get in on the fun. The event begins at the Armory at Tyler St NE and Broadway Street NE and ends at INDEED BREWERY for the after party. Riders of all ages and skill levels are encouraged to register at [www.northeastride.org](http://www.northeastride.org). The morning 8:30 AM kick off will include live music, light breakfast, coffee and many prizes, such as drawings for Chinook books. Riders will get to know all of Northeast in the most intimate way possible, via bicycle. Ride leaders will escort 10-15 riders in groups through all 13 neighborhoods and return to the Armory at the end. There are 9 stops along the way. One stop is in Logan Park where riders will be encouraged to attend the evening film, Willy Wonka and the Chocolate Factory at the Park at dusk (9:00 PM). Get your golden ticket there for a free candy bar at the film.

## 807 Broadway Task Force Update

The vote was unanimous! Remarking on the hard work of Logan Park, the School Board voted to select Hillcrest

Development to purchase 807 Broadway. Hillcrest was one of the three 100% commercial proposals that the Task Force had endorsed. This selection will make the 807 Broadway Task Force's vision to fill 807 with "hundreds of jobs" a reality!

Scott Tankenoff, Managing Partner for Hillcrest, said that they will be starting the environmental assessment work ASAP. This process should take approximately 100-140 days. Unless they find something very unexpected, he thought they would be able to take full ownership of the property in November 2013.

In the meantime, Hillcrest will be doing significant due diligence work at the property, as well as other planning work with the goal of having the first tenants move in by spring/summer 2014.

The Task Force will work with Hillcrest - giving input on creating an open green space, parking lot improvements and sharing our thoughts on integrating the community and the NE Arts District into Hillcrest's business model. Continue to watch for updates on the 807 Broadway Task Force Facebook page. Email and ideas or questions to [807broadwaytaskforce@gmail.com](mailto:807broadwaytaskforce@gmail.com).

## Bicycle safety

As summer approaches, a growing number of people are taking to our streets and trails on bicycles. Whether you're pedaling around town, driving car or doing a little of both, the City of Minneapolis wants to remind everyone that bicycle safety starts with all of us. This summer, new transit shelter posters will help educate bicyclists and drivers on how to safely share the road and avoid common, preventable crashes.

The posters remind bicyclists and drivers that:

**Safety starts with all of us** – Data show that bicyclists and drivers are equally responsible for bicycle-vehicle crashes in Minneapolis.

**Bicyclists need to follow traffic laws and ride predictably** – One in three bicycle-vehicle crashes in Minneapolis involves a bicyclist running a red light, riding against traffic, or failing to yield the right of way.

**Drivers need to slow down and look for bicyclists, especially when turning** – 40 percent of bicycle-vehicle crashes in Minneapolis involve a driver not seeing or yielding to a bicyclist.

**Bicycling in Minneapolis is actually getting safer** – As more people use bicycles for transportation, bicycle-vehicle crashes have not increased.

**Register your bicycle with the Minneapolis Police Department!**

It's free, and will help us return your bike if it is recovered after begin lost or stolen.

Every year, thousands of bikes are lost or stolen in Minneapolis. Many of them are recovered. Yet, because of a lack of proper identification, only a small percentage are ever returned to their owners.

The Minneapolis Police Department has created an easy, on-line way to register your bicycle. You will need to include your bike's serial number, a description of the bike--make and model--and your contact information. Use this link to register your bike and in the event it is lost or stolen, and the MPD, other agencies or city departments recover it, we will be able to return it to you quickly.

### How?

- Register online any time
- Call 311--be sure to have your bike's serial number ready
- 311's app: [minneapolismn.gov/311](http://minneapolismn.gov/311) to register using your smart phone

## Northeast Film Series presents Willy Wonka and the Chocolate Factory, June 22nd.

Logan Park Neighborhood Association (LPNA) and Sheridan Neighborhood Organization (SNO) are proud to present the original Willy Wonka and the Chocolate Factory, a 1971 film by film director Mel Stuart. This is the third film in LPNA's Northeast Film Series:

*Celebrating the Multicultural Identity of Northeast.* This feature is an iconic North American film. Gene Wilder stars in this adaptation of the children's story book *Charlie and the Chocolate Factory* written by Roald Dahl. It depicts a poor waif named Charlie and his tour of the most eccentric and colorful candy factory on earth.

This is a Spanish-language version of the film (with English subtitles) and runs for 100 minutes. It will be shown at dusk (9:00 PM) on Saturday June 22, 2013 outdoors at Logan Park in Northeast Minneapolis (690 13th Ave NE, Minneapolis, 55413). This film is free and open to the public.

Logan Park residents should cut out the Golden Ticket for a free candy bar the night of the show. Free popcorn for all.

El Taco Reindo food truck will sell Mexican delicacies on a street next to the park.

## Northeast Film Series presenta Willy Wonka y la Fábrica de Chocolate

Asociación de Vecinos de Logan Park (LPNA) y la Organización Barrio Sheridan (SNO) están orgullosos de presentar el original Willy Wonka y la Fábrica de Chocolate, una película de 1971 del director de cine Mel Stuart. Esta es la tercera película en el noreste de Cine Series LPNA: Celebración de la identidad multicultural

del Nordeste. Esta característica es una película icónica de América del Norte. Gene Wilder protagoniza esta adaptación de los niños libro de la historia Charlie y la fábrica de chocolate escrito por Roald Dahl. Representa a una pobre niña abandonada llamado Charlie y su recorrido por la fábrica de golosinas más excéntrico y colorido en la tierra.

Esta es una versión en español de la película (con subtítulos en inglés) y tiene una duración de 100 minutos. Se muestra al anochecer (21:00), el sábado 22 de junio 2013 al aire libre en Logan Park en Northeast Minneapolis (690 13th Ave NE, Minneapolis, 55413). Esta película es gratuita y abierta al público.

Residentes Logan Parque deben cortar el boleto de oro para una barra de chocolate libre de la noche del show. Palomitas gratis para todos.

El Taco Reindo camión de alimentos venderá delicias mexicanas en una calle al lado del parque.
