

# Logan Park Small Area Plan

Public Meeting  
October 20, 2015

# Agenda

Introductions

What is a Small Area Plan

A Few Observations

Strengths and Weaknesses

# What is a Small Area Plan

Vision for the future - long term

A compass, not a blueprint

Increases Investor Confidence

Increase Pride in Place

Prepares a community for change

Enhances the neighborhoods seat at the table

Layers : Land Use, Transportation, Open Space

6-8 Month Process; Adopted by City Council

# Role and Responsibility of the Steering Committee

To Steer the Project

Liaison between the project and the community

Wear multiple hats, represent many interests

Be a steward for what's best for the community

Assist with outreach/hosting, etc.
