Be part of the “ this old neighborhood “ project by contributing stories, pictures, interviewing people, writing articles, help with organizing classes, research the housing stock, and more.

If this interests you, please leave your contact information at the Logan Park email [loganparkna@aol.com](mailto:loganparkna@aol.com). We will be starting on the project this fall 2018.

## LPNA Projects: Past, Present, and Future

### What are doing right now?

Logan Park Pool Amenities – LPNA is contributing \$25,000 from our NRP funds for a water feature, extra benches and a shade structure for the new pool currently under construction. These amenities would not have been included without funds from LPNA.

- Raingardens – In July, LPNA held a lottery for the first round of raingardens. LPNA partnered with Metro Blooms to cover the cost of labor & materials. Residents pay a \$50 consultation fee and for plants.
- Alley Signs – Like the new spiffy bright yellow alley signs asking us politely to Slow Down? Call or email LPNA to have one of your own. This project is an initiative by a resident who made his idea in to a reality!
- Clean Sweep – Clean out your garages, basement and attics by October 6th, our next Clean Sweep. There's lunch and LPNA t-shirts for volunteers too. LPNA pays for city for this opportunity, currently happening twice a year.
- Home Energy Squad visits – Receive an energy analysis, LED light bulbs, weather stripping and more. LPNA pays \$40, you pay \$60. Available to renters and homeowners.
- Forgivable Loan Program, Low-interest Loans and Emergency Deferred Loan Program – are current programs that were started with funds from the original Neighborhood Revitalization Program (NRP). These programs are managed by the Center for Energy and Environment (CEE). LPNA continues to pay an administrative fee to CEE for program management.

## Logan Park Neighborhood Priority Planning

Logan Park Neighborhood Association has \$150,000+ of funding for neighborhood projects and we need your ideas! Check out our newsletter or our website for the Idea Form.

The comment period will remain open through November 28th, and then discussed at our November 28th community meeting. The board will review ideas for a possible vote in January.
