### BE A NEW PART OF AN OLD TRADITION

YOU CAN BE IN THE NORTHEAST PARADE

THE PARADE IS ON TUESDAY, JUNE 22, AT 6:30,  
ON CENTRAL AVENUE

ArtShare, a Northeast Mpls community arts group, is facilitating free workshops to guide NE neighbors of all ages in creating and building wearable "floats", masks, and banners to walk with in the parade. They are the sponsoring organization, paying the entrance fee, and welcome anyone in the Northeast community to participate in the parade and represent the diversity of the Northeast community. This project is supported by Eastside Neighborhood Services, Thomas Edison High School, and Councilmembers Kevin Reich and Diane Hofstede, the churches of Northeast, and many other community groups.

There will be two Saturday workshops at the Thomas Edison High School, June 12th and 19th, from 11:30-3:00. For more info contact Jennifer Arave (612) 432-1512, artsharene@gmail.com.

Express yourself! Join the Parade!

### GAS STATION/CONVENIENCE STORE

**Broadway and Adams (641 Broadway, Stop and Go)**

The business at Broadway and Adams has been a problem property controversy for Logan Park Neighborhood for the past 20 years, and is now for sale. LPNA has submitted to City Council that before any new business goes into there, the City needs to consider the neighborhood's needs and values. Normal business hours of 6 a.m. to 10 p.m., not 24-hour, work better in a residential area. Litter needs to be controlled. Customers cannot be disturbing the residents. LPNA would like to welcome a business that is an asset to the neighborhood.

## SENIOR CITIZEN PROPERTY TAX DEFERRAL

[www.taxes.state.mn.us](http://www.taxes.state.mn.us)

Relief for seniors on fixed incomes who are struggling with rising property taxes may be available for those who are eligible. The Senior Citizen Property Tax Dererral Program limits the amount of property tax paid to 3% of total household income and provides predictability, as the amount paid will stay the same during participation in the program. Seniors 65 or older with household incomes of \$60,000 or less are able to defer a large portion of their property tax. This is not a tax forgiveness program, the deferred amount of tax is paid by the state as a low interest loan, with interest never exceeding 5%. A lien will attach to the property to be settled at time of sale. This is just a short summary. For more info or answers to specific questions, call the Property Tax Division of the Minnesota Dept of Revenue at (651)556-6088.
