All Logan Park residents and business people are
invited to be involved in the decision-making process.

Logan Park neighborhood boundaries are:
Central Avenue on the east, Broadway on the south,
Washington Street on the west, and 19th Avenue on the north.

For more information, contact Kim Vohs NRP
Coordinator, at 952-975-9604.

Home Tour

Two classic Logan Park homes evoking the Victorian era will be featured on the annual Minneapolis/ St. Paul Home Tour — David and Gail Ziebigers' house at 1316 Jefferson Street and nearby Jay and Sandy Fetyko's house at 1407 Jefferson Street. The Home Tour is on Saturday and Sunday, May 3rd and 4th. This free, self-guided tour is a great time to get remodeling and decorating inspirations. LPNA is helping to coordinate volunteers to staff these two homes in shifts of a few hours each. Call Christine at 788-7863 if you are interested, or speak directly with the homeowners.

What is NRP?

As some of you read about the Logan Park Phase 2 NRP Kick-Off on Saturday, March 15, you may wonder, "What is NRP?" For those of you who haven't been involved, "NRP" stands for "Neighborhood Revitalization Program."

NRP was started by the City of Minneapolis in 1991 and offered Minneapolis neighborhoods money to do a variety of programs in their neighborhood. However, to get the funds, neighborhoods had to involve those who live and do business in the neighborhood in developing a comprehensive action plan.

Logan Park neighborhood developed an action plan for Phase 1 NRP and received \$1.3 million for a variety of programs including loans and grants for people to fix up their homes, arts classes and programs, playground and landscaping improvements at the Park, a community health program, youth supervision for programs at the Park, classes and counseling for emerging businesses, and other programs.

Logan Park has completed Phase 1 NRP and is ready to enter Phase 2 NRP, which means we need to involve the neighborhood residents and business people again in developing our Phase 2 NRP action plan in order to receive the NRP funds. Logan Park neighborhood has been allocated just over \$1 million for Phase 2 NRP, but this will most likely be adjusted downward as the City struggles to deal with budget realities. We should know our final allocation sometime in April.

If you have any questions about NRP, contact Kim Vohs, Logan Park NRP Coordinator, at 952-975-9604. Join us at the NRP Phase 2 Kick-Off at Logan Park Rec. Center at 10:00 AM, Saturday, March 15 as we begin to decide how to spend our NRP funds.

The NRP Lighting Committee hopes to bring good news in a couple of months — the city has just put Logan Park neighborhood's special street lighting job out to bid. The lights will be the lantern style, like the ones in the park and on Central Avenue.

The Minneapolis chapter of the volunteer service group Hearts and Hammers is accepting applications from deserving home owners with limited resources who are elderly or disabled. This program provides exterior work, such as painting, ramp construction, light maintenance and repairs. Applications are due by May 1st. See www.heartsandhammers.org, or call Susan at (612) 335-1445.

Remember the Logan Park NRP 4% loan program is there for both interior and exterior projects. You can borrow up to \$15,000 — think of installing a new furnace or central air, windows, asbestos abatement, new flooring, cement work, retaining walls, plumbing, or electrical upgrades. Call CEE at 335-5858 and ask for the Logan Park program.

The Logan Park Garage Sale day is back, Saturday, June 7th. LPNA will sponsor a space, so bring your donations of good household items. Or have your own sale that day for better buyer traffic. If you are cleaning house now, the Silver Angel Thrift Store on Johnson Street needs donations.

Keep the area food shelves in mind when you look at your cupboards and pantries. March is a hard month for them — no donation is too small!

Logan Park is the site for the Minneapolis Blooms Day! Saturday, April 26, at 10:00 am. This is an all-city event with garden awards, Nate Siegel Award, garden design presentations and more. Mayor R.T. Rybak will open the day with a welcome.

3rd annual health contest for kids

~ make a health collage!

This year, K-12 graders can create a health-related collage and enter it for a chance to win **prizes** (start saving old magazines you can cut pictures and words from!). We're asking kids to work in pairs (e.g. with another student, a parent, friend, etc.) Fliers and entry forms will be available in April at Logan Park and the Community Health Program office, 697 NE 13th Ave. We'll also try to include it in April's newsletter.

The deadline for submissions is April 30th.
