

LOGAN PARK NEIGHBORHOOD MEETING

Wednesday, October 15, 2003

The Logan Park Neighborhood Association (LPNA) general monthly meeting will be held on Wednesday, October 15, 2003, at the Logan Park Community Center, 13th & Monroe Street Northeast, at 7:05 p.m.

AGENDA

Neighborhood Safety • Central Avenue • NRP • Old and New Business

HALLOWEEN

Friday, October 31st, send the kids over to Logan Park for Halloween fun. You can also take part in lots of family activities and games at Elim Baptist Church's Harvest Festival.

LIGHTS OF LOGAN

Mark your calendar for Wednesday, December 17 for our annual Lights of Logan Family Festival.

\$\$\$\$\$\$

Remember those 4% revolving loans for home improvement — both interior and exterior — through CEE, Center for Energy and Environment. Call them at (612) 335-5858.

NEIGHBORHOOD PROJECTS

Thank you to everyone who participated in two big neighborhood events: the annual Clean Sweep, and the Community Health Fair. Terrific volunteers and interested residents keep these kinds of events happening for the good of us all.

TREES

The trees are still thirsty, so help your neighborhood boulevard trees get through this dry season. Put your hose on a trickle flow and give them a drink for several hours. Do this right up until the ground freezes hard.

LPNA DELIVERY TEAM RECOGNITION

Each month we will recognize a neighborhood property's appearance; a remodeling project, landscaping, new paint, clean-up. These addresses will

be chosen by the LPNA flyer and newsletter team.

This month: 1842 Quincy. A tiny, non-descript house has been transformed into a charming cottage, with shake siding, a new roof — even a water garden in the front yard. Well done, folks!

NRP PHASE II

Logan Park Neighborhood's NRP Phase II plan cleared the policy board review. Next, we see how the city allocates budget money before any programs can continue.
