

# LOGAN PARK NEIGHBORHOOD MEETING

## Wednesday, September 17, 2003

The Logan Park Neighborhood Association (LPNA) general monthly meeting will be held on Wednesday, September 17, 2003, at the Logan Park Community Center, 13th & Monroe Street Northeast, at 7:05 p.m.

### AGENDA

Neighborhood Safety • Clean Sweep • Health Fair • Logan Park Flower Garden • Central Avenue

### GANG ACTIVITY

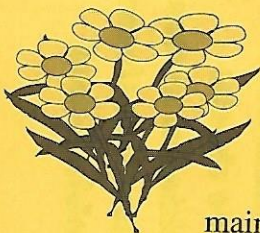

Urban gang activity has been increasing over the summer in Logan Park and all over Northeast. Please keep your eyes open to suspicious activity. Call 911, talk to your neighbors. Our CCP-SAFE team is Carol Oosterhuis at 673-2797 and Officer Jon Petron at 673-2794. Also:

**THE LOGAN PARK NEIGHBORHOOD  
CLEAN SWEEP IS COMING YOUR WAY,  
SATURDAY, SEPTEMBER 27TH.**

### COMMUNITY FLOWER GARDEN

This may have been our last season to enjoy the beautiful Community Flower Garden at the south end of Logan Park.

New volunteers are needed — mainly a coordinator. Work is mostly set-up, watering and weeding. Without new people, the garden just may revert back to grass. Call Pat at 781-9838.

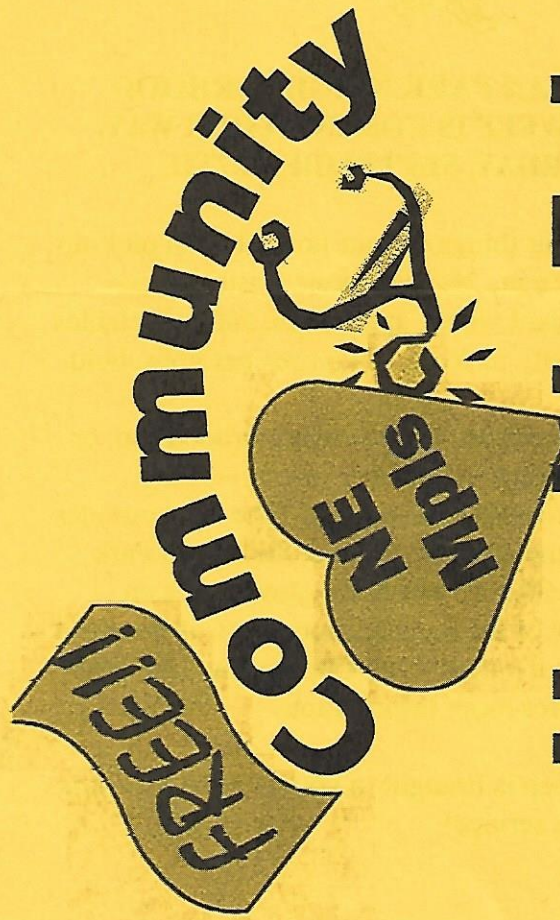

**HOUSING INSPECTIONS 673-5858**

As usual, set your things at your normal trash pick-up site before 8:00 a.m. No hazardous wastes please, and keep your yard waste, appliances, and recyclables for the regular city pick-up. Two tires per household.

Lend a hand if you can, for the neighborhood run, or at least for your own house. It's just us — your neighbors — providing the muscle. The city provides only the truck and drivers. Meet at the Logan Park parking lot at 8:00 a.m. and bring gloves. It's an interesting view of the neighborhood, lots of beautiful gardens and great patios. Call Christine at 788-7863 to volunteer or for more information.

This Clean Sweep is brought to you by NRP \$ — it is no longer a free service!
