# Historic Street lights Coming This Summer!

This Historic Street Lighting Project is in the final phase. This month, the city is sending property owners in the project area\* the amount of their assessment. When you receive this, please remember the following:

1. The assessment amount does not yet reflect the NRP contribution. Your actual assessment will be less.
2. You have the option to pay off the assessment over 20 years. You will need to call the city to tell them if you wish to do the payment plan.

*\*The project area is the Madison, Jefferson and Adams blocks between Broadway and 17th Avenue.*

Please come to the LPNA meeting on March 20th at 7 pm to discuss the project. City staff will be there to answer questions. You will also be receiving official notice from the city of the public hearing on March 28th. Once the City Council gives final approval to the project, the city will go out for bids. If everything goes as planned, the lights will be installed this summer!

*If you are new to the neighborhood or just want a recap, here is a summary of the Historic Street Lighting Project:*

**1998** At the Logan Park NRP Town Meeting, the neighborhood voted to apply \$140,000 of NRP funds towards installing historic-style street lamps on blocks where 65% of residents approve of the project. The new lamps will replace the current overhead lights on the streets within the project area. There will be twice as many lights per block.

The lights will be 13 1/2 feet tall, under the trees, providing more direct light on the sidewalks and streets. Neighborhoods who have installed these lights have experienced a decrease in crime as well as increase in property values. The historic style will match the lights in the park and add to the historic ambiance of our neighborhood.

**1998 to 2001** The Logan Park Lighting Project Committee petitioned the residents to and property owners in the project area and received 65% approval of the project on the Madison, Jefferson and Adams blocks between Broadway and 17th. The petitions were submitted to the city for verification.

**2002** The City verified the signatures. The project will now go before the City Council for approval. The NRP funds will be applied to the total project cost once the Council gives final approval.

## Inspections and CCP/SAFE

City Inspector Paul Armstrong will attend our April 17th LPNA meeting to discuss problem properties in our neighborhood. Paul's territory is large, so it helps to give him specific addresses in advance. Bring concerns along with the house number to the March 20 meeting and the Housing Committee will send them along, or call Paul and leave detailed information on his answering machine and mention that you would like the problem discussed at the April LPNA meeting. Inspectors have a couple of new legal

tools and programs to help them, but it remains a complaint-driven department. More calls sometimes equals faster action; acting as a group helps. Paul's number is (612) 685-8447.

CCP/SAFE is redesigning how its department works. The new goal is to create neighborhood teams made up of residents to tailor CCP/SAFE's actions in that neighborhood to fit its own needs. Interested Logan Park residents should call Karen Abrahamson at 673-2804.

# 2002 Health Essay Writing Contest

sponsored by the Logan Park – St. Anthony East Community Health Program

**March 15 - April 12, 2002**

If you are 9-17 years old, we would like to hear what you think about health. Write an essay of 50-250 words on one of the following health topics and turn it in for a chance to win prizes (last year's contest prizes included tickets to Valleyfair, Science Museum, Rosacker Pool, and much more).

## Essay topics:

- What does **health** mean to you?
- Who is the **healthiest** person you know? Why?
- How many different kinds of **health** are there? Which is most important and why?
- Thinking of a tv show you watch or book that you've read, pick a **character** that is unhealthy. What makes them **unhealthy**? How could they become more healthy?

**We can't wait to hear what you have to say!**

Turn in your essay (make sure it's legible) with the slip below, signed by a parent, to:  
Community Health Program, c/o NESCRRC, 697 NE 13<sup>th</sup> Ave., Minneapolis, MN 55413 (due by 4/12/02).

If you have questions contact Donna or Jennifer at 612-781-5096 / nescrc@yahoo.com.
