## PARK NEWS

### *Logan Park Community Center Face lift*

By the end of August, the remodeling of the Community Center should be almost wrapped up. Most of the work has been to improve handicapped accessibility and bring things up to code. The reception area will have a new look, and there will be energy conserving double door vestibules. Work on the roof still needs to be done. Committees for planning a new play area and refurbishing the ball fields should be formed this winter, with work being started in the summer of '97. LPNA will keep the neighborhood informed.

### *Country Days*

Logan Park offers its annual Country Days, Wednesday, August 7 from 6:00 - 8:00 pm, with music by the Middle Spunk Creek Boys, Moon Walk, and Ball Crawl. We will also have refreshments, including corn on the cob. See you there for neighborhood fun. The ice cream social was a success — thank you to all involved.

### *Soccer*

Soccer will be offered this fall for kids ages 6 - 14. Call the park at 370-4927 or stop in for more information.

On their way to Japan, Lakeshore's troupe will stop by Logan Park for a final stateside performance of A.R. Gurney's one-act play, *The Love Course*.

At the performance of *The Love Course*, take notes and laugh with students Sally and Mike as you audit the final class on love themes in great world literature, taught by Professors Burgess and Carroway. Was college ever like this?

This performance is another free arts event, open to the public and sponsored by Logan Park "Arts in the Park", Minneapolis Park Staff at Logan, The Minneapolis Arts Commission - City of Minneapolis, and CIP. Thanks for all of the collaborative support!

Arts in the Park events take place at Monroe and Broadway Streets Northeast. For more information, call Donna Norberg at 789-8550.

A beautiful summer evening was energized by the John Phillips Sousa Band outdoor concert on July 30. Also thanks to the Arts in the Park collaboration.

## VOLUNTEER HONOR ROLL

LPNA sponsored several events in the spring and early summer — the Clean Sweep and Pancake Breakfast, having a house on the Home Tour, with a fund-raiser snack stand and two very profitable spots at the Super Sale. The Housing Committee's Plant Sale brought in over \$500! All the garage sale contributions set out to be picked up during the Clean Sweep made Christine do 5 van loads that day. These events involved a record number of volunteers, some whose names did not make it on this list. ***Thank you ALL!***

# CONGRATULATIONS!

## LOGAN PARK CATERPILLAR WINS FIRST PRIZE

A group of kids ages 2 1/2 - 12, sponsored by LPNA created a colorful 25-foot fabric caterpillar, stuffed it with newspapers, painted it, set it on five coaster wagons, added 38 legs, and pulled it with pride for the Celebrate Northeast Parade. They were awarded a \$300 First Prize in the Neighborhood and Non-profit category. Look for it on display at the Northeast Public Library on Central Avenue. Watch for something even bigger in next year's parade.

Participants in this project were: Mark and Luke Vancleave; Molly and Elinor Belk; Kelly and Erica Nelson; Grete Grodahl; Kelsy Ciatti-Miller; Matt Brenneman; Emily Hogan; Naomi and Simeon Pederson; Alison, Marisha, Isaac and Chris Stone — with Tony.
