7:05

- **Approve February general meeting minutes**

Motion to approve: Ben

Second: Alex

Motion passed unanimously.

- Board Nominations (Larry)

7:10

- **Pavilion Presentation-** Clark Bremer (Project Lead) and Tatiana Hakanson (Spark Y)

-Reanne reported that two emails were received regarding the pavilion project. One in favor and the other had questions about the use of the pavilion and how it would be managed.

-Volunteers: Tatiana and Clark reported they are still planning to work with interns and volunteers. Plan to follow guidance for COVID but it may not be possible to maintain social distance when instructing people to use tools.

-It will be possible to delay project until August if needed to address need for social distancing.

-There is one month left before making a final decision about going forward with the project this year.

7:30

- Questions, Answers, & Feedback
 - Gail asked Clark about surveyors stakes at the site which appeared to be facing the wrong direction. Clark said he noted the direction of the stakes as well and wondered if they were associated with soil borings. He will follow-up about their placement.
 - Suggestion was made to consider good lighting and/or security for the pavilion due to people sleeping in the park.
 - There was discussion about providing food to volunteers. Ideas included:
 - Neighbors provide food
 - Churches assist with food
 - LPNA purchase from restaurants
 - Can we seek donations from businesses?
 - Larry offered to ask Northeast Bank.

8:00

- Announcements (if any)
 - Tatiana said that SparkY is working on a Resiliency Garden Kits project similar to the old Victory Gardens. Watch for information to come.
